*Cumulative voting instructions: California law and BayCom's Bylaws provide for cumulative voting for directors. This means that each share held entitles the holder to cast a number of votes equaling the number of directors to be elected. The number of directors to be elected is nine (9). Thus, if a shareholder owns 100 shares, he or she may cast up to 900 votes. A shareholder may cast all of his or her votes for one candidate or distribute such votes among as many candidates as he or she deems appropriate.
